Dear Steve and Nathan:

"You can't live a perfect day without doing something for someone who will never be able to repay you" said John Wooden.

On any day, someone will come to Ridge Meadows Hospital for help. While here, they will undergo tests or receive treatment. You need to know that this would not have happened, if the Foundation had not received gifts from people just like you. Patients may not know that the equipment used for their test or treatment was paid for through gifts to the Ridge Meadows Hospital Foundation, but we will. And, we are very grateful.

The Ridge Meadows Hospital Foundation has had another successful year thanks to the many donors like you, who have made health care a priority. Your donation makes it possible for the Foundation to provide quality health care equipment, research and education at Ridge Meadows Hospital and the health services in Maple Ridge and Pitt Meadows. We are pleased and thankful that you have committed to better health for your family, friends and neighbours.

Thanks so much for choosing Ridge Meadows Hospital Foundation to benefit from your mortgages. From all of us at the Foundation, we wish you and your loved ones a healthy and happy 2015.

With sincere thanks,

Laura Cherrille, BA
